RE: 2019 New York State Envirothon

New York State Envirothon Committee is pleased to announce that we will host the 2018 New York State Envirothon at Hobart and William Smith Colleges in Geneva, NY May 23 and 24. We are excited to continue the Envirothon's mission to promote environmental literacy among North America's youth, and we need **your** help!

We truly appreciated your support of past NYS Envirothons. Volunteers are at the heart of this event, and we couldn't do it without your efforts. We are reaching out to you again this year for your continued support. It is our hope that you will be willing to volunteer your time.

Please see the list of available volunteer positions. You may volunteer for one or more positions. If your time allows you may volunteer for both days or come for one day.

Overnight accommodations on campus housing and meals will be provided to our volunteers. You will receive a volunteer t-shirt to wear during the event.

The Envirothon affords our high school students a hands-on learning experience that may open doors to careers in natural resources. On behalf of the NYS Envirothon Committee, I express my gratitude and appreciation for your consideration to volunteer and make this an incredible event for our students.

Please let me know if you are willing to volunteer by completing the volunteer registration form as soon as possible found on our website <http://nysenvirothon.com/volunteer-job-descriptions>. You will receive more information in the coming months.

If you have any questions, please feel free to contact me at volunteer@nysenvirothon.com / nysenvirothon@gmail.com or leave a message at (845) 234-5025

Thank you!

Sincerely,

MaryLynne Malone
Volunteer Coordinator, NYS Envirothon
